**Nurse Pathway Two:
OCCC Transfer Award***

OCCC graduates who bring an Associate in Applied Science Degree and Registered Nurse credentials into our Competency-Based-Education (CBE) program earn credits for knowledge gained on the job. OCCC graduates who are admitted to this program between July 2020 and May 2021 will be eligible for a 5% discount to an already competitive price -- often bringing the program to within a small amount of the eligible educational reimbursements available in area hospitals. Estimated total completion cost for OCCC graduates who receive this scholarship is \$11,400, a nationally and locally competitive price.
