

BANNISTER, MASON RESUME

mason.bannister9@gmail.com | 405-219-9928 | Edmond, OK 73013

Summary

This resume is intended for those involved in a broad spectrum of business facets seeking a logical thinker with a common goal of making money.

Reason, Logic, Strategy

Successful, intuitive trader with a deep understanding of business with experience in real world money flow and business interactions. I'm a senior at Oklahoma Christian University studying business administration and minoring in psychology. I am a macro-oriented worker with consideration for micro details. A mentality of consideration is one I keep close and believe is a key to successful business.
