# OKLAHOMA CHRISTIAN ACCOUNT AGREEMENT FORM

## 2021-2022

Oklahoma Christian has many options to help you finance your education. Your Personal Financial Counselor (PFC) will help you find the best mix of options for you. Students should be prepared to pay for tuition, fees, room and meal plan two weeks prior to the start of the semester unless one of the other plans below are selected.

*A form to make one of the following selections is made available in the Students Missing Documents area on MyOC. It is titled Account Agreement Form. All students are required to complete this form.*

### PLAN 1: ELECTRONIC CHECK, CREDIT CARD OR CHECK

Parents/students may pay all or any portion of the remaining balance with cash through an Electronic Check transfer of funds. You may also pay using a credit card (Discover, Master Card and American Express only), but will be charged a convenience fee of 2.75%. Paper checks should be made payable to Oklahoma Christian University.

### PLAN 2: INSTALLMENT PAYMENT PLAN

Parents or students may enroll in a fall semester Installment Payment Plan after July 1st by logging into their Student Account Online. There is an annual contract fee of \$50. Semester costs may be paid in 4 or 5 months depending on the enrollment date. For a fall semester 5-month payment plan, the student or parent must enroll by July 25. (Students who successfully complete their fall payment plan will be automatically enrolled in a 5-month spring semester payment plan unless the Student Financial Services Office is otherwise notified.)

\*Current or pre-enrolled students can access their Student Account Online through MyOC under Services. Prospective students not yet pre-registered should log in at [signmeup.oc.edu/studentaccount](https://signmeup.oc.edu/studentaccount), then click on Student Account Online.

**PLEASE NOTE: THIS FORM DOES NOT COMPLETE THE IPP APPLICATION.**

### PLAN 3: ALTERNATIVE LOANS

Oklahoma Christian University can direct you to a variety of alternative loans available to students through private lenders. Most freshmen and students without credit history require a co-signer. An additional application is required. If you wish to apply for an alternative student loan, please visit [oc.edu/loans](https://oc.edu/loans) to select your lender and apply online. Parent/Sponsor alternative loans are also available on this site for those who do not plan to use or are unable to use the federal PLUS loan.

### PLAN 4: PLUS LOAN

The Parent Loan for Undergraduate Students (PLUS) currently has a fixed interest rate for the life of the loan. This rate is reset each year and is determined in the fall based on the rate of the 10-year Treasury Bill plus 4.60%. There will be an origination fee automatically deducted from the disbursements. If you wish to apply for a PLUS loan, please visit [studentloans.gov](https://studentloans.gov) to apply online. If you want to authorize Oklahoma Christian University to release any credit balance created by the PLUS loan to the above student, please indicate that on your PLUS loan application at [studentaid.gov](https://studentaid.gov).

## DIGITAL CAMPUS

OC students are required to have a laptop computer that meets specifications, to ensure compatibility with software and functionality needed in some courses. The laptop should support standard web browsers: Internet Explorer, Safari, Firefox or Chrome (preferred).

CPU: Intel Core i5 or better

Memory: 8GB RAM or better

Storage: 250GB or more

Operating System: Windows 10 (or better), OR Mac OS Mojave (or better)

*Please note: a Chromebook does not meet the system requirements and will not work with some testing software at OC.*

Students majoring in Art & Design, Computer Science or Engineering are strongly encouraged to ensure their machines have Microsoft Windows. (For Apple users, Microsoft Windows is available at no additional cost. However, students may need to purchase a subscription to Parallels Desktop to run Windows if it cannot be installed through Boot Camp).

Some academic departments may have additional machine requirements. Please inquire of your specific department or touch base with your admissions counselor for assistance. On-site hardware repair is available for in-warranty machines purchased through recommended vendors Apple and Dell.

# INFORMATION TECHNOLOGY SERVICES

Oklahoma Christian's mobile computing program provides several unique technological options that enhance the university's mobile learning goals and allow us to better meet the educational needs of the students.

## FLEXIBILITY

We support both Apple's Mac OS X and Microsoft's Windows operating systems. The flexibility to utilize your preferred operating system enables you to focus on preparing to enter the business landscape of tomorrow.

## CONNECTIVITY

Oklahoma Christian was among the first universities to offer students the benefits of a wireless campus, and our Wi-Fi Certified™ wireless network has continued to grow with the increased demand of mobile devices and applications, including video streaming technologies like iTunes, YouTube and Netflix. With more than 650 wireless access points and growing, Oklahoma Christian is continuing to adapt to the bandwidth needs of a truly wireless campus.

## FUNCTIONALITY

OC's mobile computing program provides students with free access to many software titles, including Microsoft Windows and Microsoft Office. Additional titles are

available at a significantly reduced cost. OC manages more than 75 software titles for student access from vendors like Microsoft, Apple, Adobe, Autodesk, IBM and many more.

## PRINTING

We have more than 100 laser printers located throughout the campus, including all academic buildings and housing areas. Color laser printing and copy systems are also available in the Beam Library.

## STUDENT ADVOCACY CENTER

The Office of Information Technology's Support Central team provides support services for the mobile computing program. On-site certified hardware repair is available for some models. Our technology staff is also familiar with the software used on campus and can assist students with software-installation questions and other common software problems. Most software-related questions can be addressed quickly, while hardware repairs are usually completed within three business days.

# OTHER TECHNOLOGY SERVICES

## CABLE TV SERVICES

Due to the popularity of streaming services, OC does not provide Cable TV service to campus residence hall rooms and apartments. Students, however, can contract directly with Cox Communications for some video packages. Billing for these services is the student's responsibility. Service is provided to TV's in common areas.

## PHONE SERVICE

The university does not provide phone service to campus residence rooms. There are phones available in the residence hall lobbies and some of the study rooms throughout the housing areas.

## PARENT ACCESS TO STUDENT RECORDS

The Family Educational Rights and Privacy Act (FERPA) limits the information that the university can share without student consent. Students can grant electronic access to a parent or guardian through our online parent access site.

## EMERGENCY NOTIFICATION

OC employs an emergency notification system to communicate with the campus during emergencies. This system will send messages via email, text (SMS), Facebook and Twitter. Students are encouraged to ensure that their contact information is current in this system.

### EAGLE BUCKS

Students have the option of purchasing Eagle Bucks with their meal plan. Eagle Bucks work like cash; they can be used in the on-campus Aguila Grill, Chick-fil-A Express and The Brew (OC's coffee shop on the second floor of the Mabee Learning Center) as well as near campus at On Cue, Alfredo's, Jimmy John's and Sonic. They can also be used at the on-campus Bookstore. Eagle Bucks are added to the student's ID card. They can be added during validation or anytime by going to the Campus Dining Office. They also can be purchased online at myOC and charged to the student's account. Leftover Eagle Bucks will transfer from the fall to spring semester, but unused Eagle Bucks will be lost at end of the summer (around August 15).

### SACK LUNCH PROGRAM

Students who are on the go can get a sack lunch and take it with them. All they need to do is sign up with the UDining cashier.

### SPECIAL DIETS

Does your student have special food needs or a special diet – allergies, lactose-free diet or any other special needs when it comes to their meals? Just have them come to our office and let our staff meet their needs.

### WHAT'S FOR LUNCH?

Join us on Twitter or Facebook, just like our students do, and we will "Tweet" you the menu for every meal: [twitter.com/UDiningatOC](https://twitter.com/UDiningatOC). Search UDining and like us on Facebook and get daily updates or download UDining's new app for Android and Apple.

### PARENTS EAT FREE

## SUMMER PROGRAMS

### TAKE FLIGHT

During this one-day orientation event, new students receive basic knowledge about preparing for the academic side of the OC experience. Students have the opportunity to explore majors and meet professors. By the end of orientation, they'll have their first college schedule and some new friends!

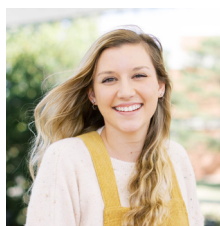

### EARN YOUR WINGS

After students have enjoyed Take Flight, they will be ready to attend Earn Your Wings. Upperclassmen, alongside Freshman Experience staff, have prepared a week packed full of fun activities that will help new students meet fellow students and learn the history and spirit of Oklahoma Christian. These activities include inspirational speakers, small discussion groups and entertainment. This event has a great reputation for getting students started on a successful college experience.
