WORK EXPERIENCE

Love's Travel Stops

Accounting Intern

May 2023-August 2023

- Analyze terminal statements from terminal locations. Find all reconciling items and update them with correct information in the inventory database.
- Create DEF terminal statements by compiling terminal data with data from the internal database. Analyze the data. Reconcile the data that does not match up.
- Shadowed with 16 different teams in the accounting department, getting a high-level overview of each team. Gained a broad understanding of the moving parts in accounting and how each team contributes to Love's success.

Oklahoma Christian University Business Office

Aug 2022-November 2022

Accounting and Finance Work Study

- Assist the Budget Analyst in updating monthly predictive budget spreadsheets. Updating the budget to actual report for each month. Posting daily journal entries.
- Aid the Senior Accountant with bank reconciliation, analyze daily transactions and ensure all transactions are posted to the general ledger.

Oklahoma Baptist Homes for Children – Boys Ranch Town.
