CREATE WITH PURPOSE

An Art + Design degree from Oklahoma Christian University prepares you to use creativity to solve problems, communicate ideas and make a lasting impact through visual storytelling. You'll build artistic and technical skills while exploring creative expression in digital media, graphic design, fine art, gaming, animation or interior architecture in collaborative, hands-on studio environments. With experienced faculty, hands-on learning opportunities and a Christian worldview that celebrates creativity, beauty and purpose, you'll graduate prepared for meaningful careers in the creative industries.

GRADUATES OF THE ART + DESIGN PROGRAMS

- Create with Purpose - Express creativity through a Christian worldview that values beauty, innovation and meaningful design.
- Solve Creative Challenges - Use visual problem-solving and design thinking to communicate ideas effectively.
- Build a Professional Portfolio - Develop a cohesive body of work that demonstrates artistic growth and technical ability.
- Master Industry Tools - Gain experience with the technologies and techniques used across today's creative professions.
- Think Critically - Analyze, evaluate and refine creative work through research, critique and collaboration.
- Understand Art + Design - Explore the history, theory and movements that shape the creative world.
- Lead with Integrity - Approach work with professionalism, ethical responsibility and a commitment to serving others.
