THE STUDY OF PEOPLE, POWER & PURPOSE

A History, Political Science or Criminal Justice degree from Oklahoma Christian University helps you understand the people, events and institutions that shape our world. You'll build the research, communication and analytical skills needed to solve complex problems, advocate for justice and serve your community. Through close faculty mentorship, practical learning opportunities and a Christian worldview, you'll graduate prepared for meaningful careers, graduate study and a lifetime of making a positive impact.

GRADUATES OF THE HISTORY, POLITICAL SCIENCE & CRIMINAL JUSTICE PROMGRAMS

- Understand Society - Study the history, government, laws and institutions that shape society.
- Think Critically - Analyze evidence, solve problems and evaluate issues from multiple perspectives.
- Research with Confidence - Gather, interpret and communicate information using sound research methods.
- Lead Ethically - Make thoughtful decisions guided by integrity, justice and a Christian worldview.
- Communicate with Purpose - Build strong written and verbal communication skills for a variety of professions.
- Serve Others - Prepare for meaningful careers dedicated to leadership, justice, education and public service.
